

## **EXECUTIVE TEAM**

### **Dan Stuber – President & CEO**

Dan Stuber founded AeTec International in 1992 and has been in the electronics manufacturing industry since 1972. Prior to starting AeTec, he spent 10 years in management at Intel in both technical and operations positions. His previous 10 years were spent at Silicon General, TRW and Intersil in various quality and reliability management positions. Mr. Stuber has also been a member of TEC, an international organization of CEOs, since 1996 and sits on the Board of Directors for the Hon Kachina Council.

### **Dick Jackson – Chief Financial Officer**

Dick Jackson, a graduate of the University of Arizona, has over 40 years of financial and accounting experience. Prior to joining AeTec in 2001, Mr. Jackson spent the last 13 years as the CFO for JB Rogers Corporation.

### **Mario Binarao – Manager, Engineering & Quality**

Mario Binarao joined AeTec in 2001. He has a BS degree in Mechanical Engineering and has been in the manufacturing industry for almost 30 years. He has held technical and management positions at Intel for 24 of those 30 years.

### **Jennifer Basinger – Executive Vice President**

Jennifer Basinger, who joined AeTec in 1994, has a Business Finance degree from Arizona State University. She has worked in the Contract Manufacturing industry for 10 years in both finance and sales management positions.

### **Eugenio Gordienko – Vice President & General Manager, Costa Rica Operations**

Eugenio Gordienko joined AeTec in 1998 and manages the Costa Rica facility. Eugenio has over 12 years of operations experience and a degree in Marketing from Kansas University. He is a founding member and Vice president of the Costa Rica SMTA chapter.
